

Holy Week
at
St Thomas the Martyr CE Primary School

What a week !

The Holy Week theme 'Footsteps through the City' was a huge success. The theme enabled the Easter story to be woven through the week, the children were taken on a journey of knowledge and understanding by Peter Bradley. The children experienced a variety of activities and workshops centred on the Easter story all delivered at different times throughout each day. But enough from me I'll let our Year 6 children give you a small insight into some of the things they did.....

I enjoyed Holy Week
my best bit was the
Palm procession.

Shannon Scully

I loved having dinner
with everyone in
school.

Declan Heaton

Holy Week was special
for me because it
brought pupils, teachers
and God closer together.

James Glover

I enjoyed the way we
got to follow doing
what Jesus did.

Catrin Jeffers

I really enjoyed making
rice crispy cakes and
taking them home for
afters.

Holli Wardburton

I really liked Good Friday
because I read something
out and then got to hold
up the cross when the
candle was lit.

Bethany Doonan
